from the author of *exhalation* an award winning short story collection that blends absorbing storytelling with meditations on the universe being time and space raises questions about the nature of reality and what it is to be human the new york times stories of your life and others delivers dual delights of the very very strange and the heartbreakingly familiar often presenting characters who must confront sudden change the inevitable rise of automatons or the appearance of aliens with some sense of normalcy with sharp intelligence and humor chiang examines what it means to be alive

in a world marked by uncertainty but also by beauty and wonder an award winning collection from one of today s most lauded writers stories of your life and others is a contemporary classic includes story of your life the basis for the major motion picture arrival

employing theoretical lenses of implicit theology and secular spirituality this book blurs the boundaries between religion and popular culture

a collection of science fiction short stories including story of your life in which a linguist s insight into the language of alien lifeforms on earth and its nonlinear structure help her deal with her divorce and death of her daughter publisher

it was my hope in writing this that it be informative educational entertaining and hopefully inspirational with family history starting prior to my arrival on the scene it spans nearly 100 years it describes different times and faraway places to the older generation it may bring back the past with an occasional side trip down memory lane to the younger generation it is my desire that they might glean something from my experiences that will be helpful to them this is my story i enjoyed writing it and hope my readers enjoy it as well

this volume explores the life stories of ordinary burmese by drawing on the narratives of individual subjects and using an array of interdisciplinary approaches the constituted stories highlight the protagonists survival strategies in everyday life that demonstrate their constant courage and frustration in dealing with numerous social injustices and adversities

the author presents a history of chinese films that is looser in both attitude and structure and less anxious to subscribe to habits and taboos

how have traditional chinese ways of thinking affected problem solving in this century the traditional imperial style of inquiry is associated with the belief that the universe is a

coherent internally structured unity understandable through the similarly structured human mind it involves a reliance on antecedent and authoritarian models coupled with an introspective focus in investigations at some cost to objective fact gathering in contrast emergent forms of inquiry are guided by the values of individual autonomy and new perspectives on objectivity in the 1930s and 1940s some liberal educators held the model of western science in great esteem and some scientists practicing objective inquiry helped to create an awareness in the urban areas of inquiry not directed by political values drawing on philosophical social science and popular culture materials donald munro shows that the two strains coexisted in twentieth century china as mixed motives many important figures were motivated by a desire to act consistently with the social values associated with the premodern or received view of knowledge and inquiry at the same time these people often had other motives such as utilitarian values efficiency and entrepreneurship munro argues that while many competing positions can coexist in the same person the seeds of the positive instrumental value of individual autonomy in chinese inquiry are beginning to compete in both scholarly and popular culture with other older approaches
